INTERSTATE BANK

COVID-19

Northern Interstate Bank cares about the health and well-being of our customers, employees, and communities. Given the evolving concerns around COVID-19, and to help support community health management efforts, we are temporarily suspending lobby access at all of our locations including supermarket offices. These changes will take effect **Wednesday, March 18th, 2020.**

We will continue to offer many services to fulfill our customer's needs:

- **Drive-Thru and Night Deposit** services will remain open.
- **Online and Mobile Banking** allows you to view balances and transactions, make payments and transfers, and deposit checks.
- **ATMs** are easily accessible, many for 24 hours per day.
- **Appointments** for loans and customer service are available. If you need to discuss a loan or open an account, please call one of our offices ahead of time to make an appointment.

We are here to serve you
