

Covid-19 Lobby Operations Update

Northern Interstate Bank's lobbies are all currently open.

We have taken all necessary measures to safeguard the health and safety of our customers and employees as we resume in person contact with our customers. As we begin to return to “business as usual”, we also respect that some customers may be reluctant to jump back into face-to-face banking. We ask that you observe the following measures if you will be using one of our lobbies:

- Per CDC and local health agency guidelines, a face covering must be worn if entering our buildings. For security and identification purposes, you may be asked to briefly remove the mask.
- We ask that when entering our lobbies, that you please take notice of all signage, which is intended to promote social distancing guidelines. We want your visit with us to be a pleasant one.

Our commitment is to continue offering a full menu of services to our customers through:

- Full Service **Lobby** Operations.
- **Drive-Thru and Night Deposit** Services.
- **Online, Mobile Banking and bill payment.**
- Thirteen **ATMs**, which are easily accessible, many for 24 hours per day.

Northern Interstate Bank remains dedicated to the health and well-being of our communities as we have been throughout our nearly 120 year history. If you need assistance, please call us at **(906) 563-9233 or (906) 875-4505**. Thank you for your patience and understanding throughout this challenging time.
